

WINTER CLOTHING DRIVE

Benefitting Valley Outreach

Thank you for your Support!

About the St. Croix Valley Optimist Club

The St. Croix Valley Optimist Club is committed to supporting and engaging with our local community. Our inaugural project, Bridges to Books, was a tremendous success. Through this initiative, we raised \$3,600, which provided a full year's supply of books to 120 children in our area.

Winter Clothing Drive

As winter approaches, the St. Croix Valley Optimist Club is launching its next community project: a winter clothing drive dedicated to supporting those in need throughout the St. Croix River Valley. This initiative aims to collect new or gently used winter clothing suitable for both adults and children.

The collected items will be distributed in collaboration with Valley Outreach, to individuals and families in need in our community. By participating, we can help our neighbors stay warm throughout the winter season.

How You Can Help

We are seeking gently used or new winter clothing items. You may also contribute through a donation. Our goal is to raise \$1,000 or more by December 17th. Your support can make a significant difference in our community.

Items Needed for *Ages 3 to Adult*:

- **Winter Coats and Jackets**
- **Waterproof Mittens**
- **Waterproof Pants**
- **Waterproof Boots**
- **Winter Hats – Unisex Beanies**
- **We also accepting monetary gifts that Valley Outreach will use to purchase items where necessary.**
